A team of professionals at your disposal to organize your stay

To combine work and relaxation

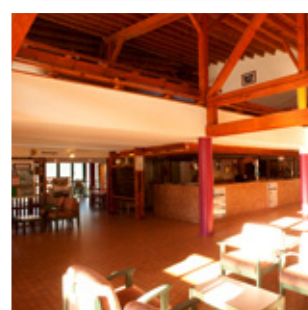

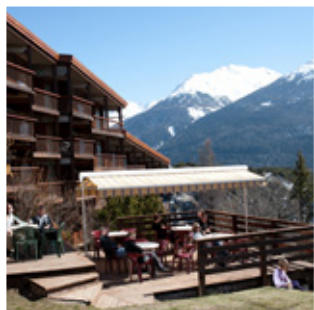

You'll be welcome in Aussois in Savoy, a small mountain village where evolution and authenticity were able to merge, ensuring a life style and an exceptional place to stay.

Dominated by the "Dent Parrachée", one of the highest peaks of La Vanoise, Aussois is located on a sunny plateau at 1500 m altitude, offering a magnificent panorama of the surrounding mountains and a direct access to the park of La Vanoise in summer and downhill ski slopes or cross country slopes in winter.

It is in this delightful setting that the center Paul Langevin is, holiday and conferences center of CAES du CNRS.

An ideal site to combine work and relaxation.

The access

Train: station of Modane (8 km from Aussois), 4 hours from Paris, 2 hours from Lyon, 1h30 from Turin.

Road: Chambéry, then the valley of Maurienne, highway A43 to Modane (Le Freney), 11 km from Aussois.

Flight: airports: Annecy, Lyon, Turin, Genève, Chambéry.

We can help you to organize shuttles from the train station of Modane or from the Lyon or Geneva airports (quote to order).

The work

Suitable facilities and adaptable

The center has a conference room of 196 seats and 3 meeting rooms accommodating from 15 to 50 people.

Depending on the occupancy of the center and our availability, we can provide you with 2 other rooms of 15 seats each.
